

Frank van Tongeren

Frank van Tongeren is currently with the OECD in Paris where he holds a post as senior economist in the Directorate Trade and Agriculture. His main field of work is international trade policy, and he currently leads OECD work on non-tariff measures in agri-food trade.

He received his PhD (dr.) in Economics from Erasmus University Rotterdam in 1993, and has been involved in policy research on behalf of national governments and international organizations in Europe, Africa and Asia, including in the PR China. He was appointed adjunct professor and advisor of the Center for Chinese Agricultural Policy, Chinese Academy of Sciences during 2003 –2005. He has published widely in international journals.
